

Parry Puzzle Hunt: Men in Black

Hi, I'll be your guide for this hard-to-believe challenge. I am an expert on those true stories that others have called conspiracy theories. I will make sure to educate you. Our nemeses are the Men in Black. They protect the conspiracies of the world and discredit those who investigate.

Instructions

- The puzzle hunt takes place on Monday, December 30 from 9:30 a.m. to noon. Meet at John and Renée's to begin.
- If you need anything, Chad's temporary number is (650) 387-0114 and Elisa's is (425) 891-4119.
- There will be four main puzzles plus four bonus puzzles.
- You can form a team of any size. You can cooperate with other teams if you get stuck.
- The puzzle hunt is not a race. The reason there are several different teams is to give each person a better chance to participate.
- Drive defensively. You are responsible for your own speeding tickets.
- Don't let other teams hear you solving a problem. They might not have reached that clue yet, and they might not want hints.
- You are allowed to use any resources that will help you solve a problem. For example, you can look up facts on the Internet or call friends who might know the answers.
- After everyone finishes, the problems will be posted at <http://puzzles.parry.org/>.
