

# Parry Patriotic Puzzle Hunt

*July 3rd 2010*

## Instructions

- The Parry Patriotic Puzzle Hunt takes place on July 3 from 2:00 – 3:30 pm. Meet at Steve and Sharon's after lunch to begin.
- You can form a team of any size. You may want your team to fit into one or two cars.
- The puzzle hunt is not a race. The reason there are several different teams is to give each person a better chance to participate.
- Each clue contains a “Kids' Puzzle.” They aren't necessary for finding the next clue. They are just a good way to involve the young team members.
- Drive defensively. You are responsible for your own speeding tickets.
- Don't let other teams hear you solving a problem. They might not have reached that clue yet, and they might not want hints.
- You are allowed to use any resources that will help you solve a problem. For example, you can look up facts on the Internet or call friends who might know the answers.
- Teams can ask for hints at any time. Several hints have been prepared for each problem. Send a text message with your team name and the clue title to Chad at (801) 867-9526 or Elisa at (801) 867-1570.
